INTERVIEW SUMMARY

Dear Sir:

Applicants thank the Examiner for his participation in a telephonic interview with the undersigned representative on February 20, 2008. This interview generally concerned the impropriety of the communication mailed from the Office on February 5, 2008, which generally alleged that Applicants' Response filed November 20, 2007, was not fully responsive to a prior Office Action because it did not specifically point out support for claim amendments made therein.

In the telephonic interview, the undersigned representative noted that, besides the lack of any statutory or regulatory support for his requirement, the Response filed on November 20, 2007, did, in fact, indicate exemplary portions of the application that provide support for the claim amendments. *See* Response filed November 20, 2007, page 20. The Examiner acknowledged that the Response included such an indication, and stated that Applicants did not need to provide any additional or supplemental information

in response to the Office communication mailed February 5, 2008. The Examiner also explicitly requested that Applicants file this interview summary.

Applicants respectfully submit that all pending claims should be in condition for allowance. However, if the Examiner believes certain amendments are necessary to clarify the present claims or if the Examiner wishes to resolve any other issues by way of a telephone conference, the Examiner is kindly invited to contact the undersigned attorney at the telephone number indicated below.

Respectfully submitted,

Date: February 21, 2008
